

117V ADAPTER 138158 INSTALLATION INSTRUCTIONS
FOR USE WITH: HAMMOND X-5 Combo Organ
LESLIE Pro-line Speakers

This adapter is to be used with a 30-foot, 11-conductor LESLIE speaker cable part no. 137357

INSTALLATION

Locate the 9-contact socket which is near the organ's AC power cord. (See figure 1.)
Connect the adapter to this socket.

Plug the 11-conductor cable (part no.137357) , which attaches to the LESLIE Pro-line speaker, into the 11-contact socket of the adapter.

Adjust the volume levels as described in the owner's manual for the LESLIE speaker.
